Decisions of the Council of the Doctoral School of Applied Informatics and Applied Mathematics

Decision No 208

Resolution No. 208/1: The Council of the Doctoral School of Applied Informatics and Applied Mathematics puts forward the initiation of the habilitation procedure to the MTTDHT (Doctoral and Habilitation Council for Engineering and Natural Sciences) in the case of Dr. Gábor Kertész PhD and proposes the following committee:

Expert Evaluation Committee (includes the Habilitation Examination Committee):

EEC (and HEC) Chair: Prof. Dr. Imre Rudas (OE, emeritus)
HEC External Member: Prof. Dr. Ákos Zarándy (PPCU)
HEC Internal Member: Prof. Dr. Edit Ludányi-Laufer (OE BGK)
EEC Secretary: Dr. Zsolt Csaba Johanyák (OE BGK)
EEC Internal Member: Dr. Rozália Lakner (OE AMK)
EEC External Member: Prof. Dr. Attila Magyar (University of Pannonia)

Resolution No. 208/2: The Council of the Doctoral School of Applied Informatics and Applied Mathematics recommends the EDHT (University Doctoral and Habilitation Council) that László Zoltán Fried, doctoral student, be awarded a summa cum laude doctoral degree in computer sciences, in recognition of his performance in his public defense, which was graded at 100%.

Resolution No. 208/3: On 3 April 2025, the Admissions Committee of the Doctoral School of Applied Informatics and Applied Mathematics held the admission interview for the first semester of the academic year 2025/2026 with those applicants of the Stipendium Hungaricum Scholarship who ranked the Doctoral School as their first choice. The Council of the Doctoral School of Applied Informatics and Applied Mathematics accepts the ranking of the applicants established in the admission record and proposes the admission of the following students in the following order:

1. Adane Akate
2. Azar Mamiyev
3. Lukas Chrisantyo Adhyatmoko
4. Seid Belay Muhammed
5. Snwr Jamal Mohammed

Comments:

The admission of Azar Mamiyev is conditional until the presentation of an MSc degree with an at least "good" qualification.

In the cases of Lukas Chrisantyo Adhyatmoko and Seid Belay Muhammed, the admission proposal will only be valid if they manage to find supervisors.
